## PROJECT EXPERIENCE

### What'sForDinner(React App)

- Created a React project that renders random recipes from an API (Spoonacular).
- Developed the Navigation component and its routing.
- Stylized overall app including the recipe cards using Bootstrap.
- Developed the Footer component.

## WORK EXPERIENCE

### Membership & Operations Coordinator — Greater Philadelphia Hispanic Chamber of Commerce, Philadelphia

January 2018 - Present

- Responsible for implementing Membership activities, including reporting and analysis and overall data management.
- Worked collaboratively with the development and marketing team in the implementation of events, communications, and outreach.
- Created new processes to increase new membership.
- Successfully updated the Association Management Software (AMS) database for the first time since its implementation in the Chamber.
- Provided one-on-one customer service to members and prospects.
- Aided in technical support & served as the staff's POC for all AMS related issues.
